Sportsmedicine 1 Letter to Parents

Teacher: Mr. Kliewer
Phone: 387-3029
Email: mkliewer@wcpss.net

COURSE DESCRIPTION:

This course is directed towards individuals who are interested in an Allied Health Science Profession, i.e. Physical Therapy, Athletic Training, Doctor, or Nurse. "Hands on experiences" will be gained through after school student athletic training. The student will learn extensive treatment, prevention, and rehabilitation techniques in athletic injuries as well as organization and administration duties in the field of sportsmedicine. Examples of such include advanced taping techniques, injury evaluations, and sportsmedicine facility/program structuring. **Students will be required to work with athletic teams throughout the course of the school year. These students are also required to sign up for Sportsmedicine 2.**

COURSE GRADING:

<i>Category</i>	<i>Category</i>
	TESTS (WRITTEN & SKILLS)=45%
	SPORT ASSIGNMENT=35%
