

Apex High School

April 2, 2009

Dear Parents and Students of the Class of 2013,

Warm spring greetings to the Apex High School Class of 2013! This spring will end one phase of your educational life, and next fall begins another! Each phase brings with it new experiences, challenges, and memories. We hope the next four years at Apex High School will be as rewarding and memorable for you as they have been for so many families and students before you.

This summer, we are planning a very exciting orientation experience that will help us all get to know one another better and that will help you to get acquainted with the campus before the first day of school. We are convinced that Cougar Camp 2009 will be the first of many great experiences that you will have at Apex High School.

Advance registration is **not required** to attend camp this year. There is no registration fee. All you need to do is come to campus on the date and at the time designated for your part of the alphabet, according to your last name. If you are unable to attend at your assigned time, please call Michelle Windle prior to July 1 to request a change. Special times will be assigned by coaches for students involved in fall sports tryouts and practices. We would like to keep the number of students per session as even as possible, so that every student will have a positive camp experience. Assigned dates and times are as follows:

| | | |
|-----|-----------|---------|
| A-F | AUGUST 12 | 9-11 AM |
| G-L | AUGUST 12 | 12-2 PM |
| M-R | AUGUST 13 | 9-11 AM |
| S-Z | AUGUST 13 | 12-2 PM |

At camp, you'll have the opportunity to pick up your class schedule, take a tour of the campus, meet some of the important people you'll encounter over the next four years, and participate in some fun teambuilding activities. Camp sessions will run from 9-11 AM and 12-2 PM. Bring your questions, dress comfortably, and prepare to have fun on the day you attend Cougar Camp 2009! Parents are invited to attend the Parent Open House during camp in the cafeteria, sponsored by the PTSA. Feel free to stop in and meet other parents who are already active members of the Apex High School community. The PTSA will be selling memberships, spiritwear, and planners. By purchasing these items at Cougar Camp, you can avoid the long lines at other events once school starts. Please park in the parking lots adjacent to the front doors to relieve congestion at the main entrance.

If you have questions about camp, please call Michelle Windle, camp director, at 387-2214. We look forward to seeing you!

WEAR CLOTHING SUITABLE FOR PHYSICAL ACTIVITY.
CLOTHING MUST BE IN COMPLIANCE WITH THE WCPSS DRESS CODE.
