

Apex High School Graduation Project Parent/Student Agreement

As a parent/guardian of _____, an Apex High School student, I am aware that my son/daughter must pass all phases of the Graduation Project in order to receive a North Carolina high school diploma. I fully understand that the topic selection was made independently of the staff and administration of the high school, that the project is entirely student-centered with parental guidance, and that its completion is my son/daughter's responsibility.

I, the parent/guardian, also understand that, in his/her junior year, my son/daughter will be assigned a coach who is a member of the Apex High School faculty. The coach's purpose is to work with the student, to track the student's progress, and to help the student meet deadlines for successful completion of the project. My son/daughter is also required to interview and document the interview of at least one expert related to their topic.
