Class Participation

1. Students are required to dress-out and participate daily. **Students not dressed-out will not be allowed to participate.**
2. Students with either an excused and unexcused absence will be given the opportunity to earn back missed credit. Excused absences will be permitted to earn back 100%, while Unexcused absences can only earn back 70% of daily performance grades. A student who does not dress-out during the class period is **NOT** eligible to earn back missed credit.
3. Make-up days will be offered after-school, twice per week for 30 minutes. Students must arrive on-time, dressed-out, and sign-in to earn credit for participation.
4. Medical concerns and conditions need to be discussed with the teacher on a one-on-one basis prior to the day of class. Written excuses from a medical doctor are required for extended medical problems that would affect participation.
5. Please do not bring in a note from a parent indicating that a student is unable to participate. We encourage student accountability and request that the student **PERSONALLY** talk with the teacher. If you come to school, come prepared to dress-out. If you have a problem that may interfere with participating, come to your teacher and discuss.
