

**PARENT REQUEST FOR EXCEPTION TO
COURSE PLACEMENT RECOMMENDATION**

I understand that, based on a variety of data such as test scores, grades, and teacher recommendations, my son/daughter has been advised to enroll in _____ for the next school year. I further understand that enrolling in a higher or lower level course may result in a level of instruction that does not adequately meet the educational needs and demonstrated ability of my son/daughter.

Contrary to the recommendation of the school, I wish to have my child placed in _____ for the next school year. I agree to monitor closely my child's progress in this course and to provide appropriate support as needed. I will adhere to the Course Withdrawal Policy of the Wake County Public School System that states:

Except when approved by the Principal, students are not allowed to drop a course after the first ten days of school. If a student withdraws after the ten day period, a failure (WF) is noted as the grade, and the course is counted as a course attempted with no quality points earned.

I accept the responsibility for this decision and will not expect the Principal to change the course at a later date because of incorrect placement.
